HEAVY HITTING WON THE GAME

Richards Given His Bumps by White Wings.

SALT LAKE, 16; LOGAN, 5 Both Ogden and Lagoon Claim

NINETEEN HITS SCORED BY LO-CAL TEAM.

Standing of Teams.

INGEREE BROCKHOFF rushed madly up to the grand stand yesterday and asked some obliging fan to get a policeman and put the Salt Lake team out. This was in the eighth inning, when the score stood 16 to 5 in favor of the home team, and everybody seemed hitting the ball.

The White Wings had their batting clothes on yesterday, and the way in which they punctured the clouds was something frightful. Mr. Statuary Richards was the Infant who got his drubbing, and all nine of the big chief's stick artists seemed to take especial delight in seeing who could hit him the hardest. Captain Huston took the honors in that line, and out of six times up he hammered out five hits,

two being two-baggers.

Everybody, with the exception of Mayne, who only faced Richards once, got a crack at the ball, and when the totals were summed up it was discov-ered that the boy from Cache valley had been touched for just nineteen safe hits.

Mayne Taken Out.

Mayne started for the White Wings, but after getting a severe drubbing in the first and making a bad start in the second, he was taken out and Nephi Thomas, the boy wonder, was substi-tuted. "Neph" did well and allowed only three hits in the remaining seven

exhibition of what strong, able-bodied men can do to a leather-covered ball with a stout hickory stick, after they once get the range. The fans who like to hear the resounding whack and see the small white sphere travel skyward missed the opportunity of their lives. missed the opportunity of their lives by staying away yesterday. The score tells the tale, and when a glance at the error column shows that only three errors were chalked up during the game, it does not take a strong imagination to figure out what was done in the hitting line. There was also considerable doing in

the way of soaking batters with pitched balls. Five different players earned what it was to get a crack in the ribs or some other part of their anatomy by five ounces of leather, yarn and rubber, hurled by a man who is and rubber, hurled by a man who is team. The Franklins would like to drawing a salary on account of the strength of his arm. Another feature of the game was the number of double day's game as follows: Welley the Franklin team. The former team lined up in yester-plays. Salt Lake making the salary of the game was the number of double day's game as follows: plays, Salt Lake making four and Lo-

Exceptionally Good Fielding. The fielding all around was excep

tionally fine yesterday, and a number is not bad work in any old kind of a league. Logan did nothing to speak of except in the first inning, when two out ba bases on balls, three hits and one error brought them in a total of four runs. In the second Mayne was touched up for two safeties and hit one player, with one man out, when Thomas was called to the slab. Hahn and Taylor, the next two men up, both men out, retiring the side. After this Thomas did not allow a man to get across the home plate. Once in the fourth and once in the soveth one long larger. once in the seventh one lone Infant got as far as second base, but this was the best Stoney's bunch could do. On the other hand, the White Wings

began operations in the first and did good business in the fourth, fifth, sev-enth and eighth. In the third Clifford played in hard luck. After knocking the ball over the middle fielder's head he tried to reach second base on the hit, but slipped and fell as he turned first. Getting up and returning to

bases for a tally.

In the fifth is where the real heavy hitting of the day came in. Hansford was the first man up and reached first on a dinky fly to left field. He got second on a ball and took third on Clifford's caught fly to the left garden. Borehers scored Hansford on a hit to middle field, and Thomas, following, was given a free pass. Brockhoff scored Borchers on a drive past second base. Huston knocked a two-bagger in deep right field, scoring both Brockhoff and Thomas, "Paw" Kimerer hoff and Thomas. "Paw" Kimerer struck out and Home Run Schils fol-lowed with a three-bagger, clearing the bases. Kelly stepped up with a safe hit, scoring Schils and going o himself while trying to steal second

In the seventh a two-bagger by Brockhoff scored on a hit by Huston. In the eighth, hits by Thomas, Brock-hoff and Huston and a free pass, together with Stucke's error, scored four more runs. The weather was very disagreeable, which was responsible for the small attendance

Will Have No Loafing.

In the practice game Thursday be-tween L. D. S. U. and the Lagoon bunch, Left Fielder Kelly was taken out balls hit to the infield, etc. ver insists on every ball hit being run out, and says he will not stand for loafing and dumb ball playing. He is always the first one to encourage an unlucky player. The most successful players are these that players are those that go after every-thing hit. They make errors, but stop many a ball that would otherwise have been a safe hit. Best averages do not always mean best players.

WILL SHOOT OFF TIE. Vince Davis and Steve Love to Decide Championship.

Arrangements were completed yester-day between Steve Love and Vince Davis of Brigham City to shoot off the tie between them for the state cham-pionship medal at the earliest possible opportunity. These two wing shots tied for the medal in the handleap shoot held in Ogden last Thursday. The medal was offered by the members of 2 the Ogden club.

In order to give every shooter in the state an equal chance to secure possession of the trophy, the shoot was handicapped according to the past records of the various entries. Love shot at the twenty-six, and Davis at the twenty-six, and Davis at the twenty-six and past sections. twenty-seven-yard mark. Team Picked Today.

The marksmen who are to represent Salt Lake in the coming meet with Springville will be selected at the local traps this afternoon. It is intended to give the six men who make the highest scores the first chance, and as the trip will be one of pleasure, there will be considerable rivalry among the members when they line up at the targets today. The date of the shoot has been set for next Wednesday and will be held on the Springville Rifie club's grounds. The marksmen from Utah county are known to be good shots and will probably give the local experts a hard rub.

LETTER FROM CHAPMAN. Salt Laker Has Several Match Races Signed Up.

Savannah, Ga., May 16.

Sporting Editor Herald—I have been quite busy of late getting in shape. Jack Prince is here, and has the finest track I have ever seen, even better than the one at Salt Lake. It is eight laps to the mile, and is banked to hold any speed. The opening meet was to have been held last evening, but was postponed on account of rain. I ride George Leander a match race, five-mile ther DeSmet mines. George Leander a match race, five-mile heats, best two out of three heats, at the opening. We get a liberal purse for the match, and I think I shall make good. I shall enter the race somewhat handicapped by poor pace, but know I am riding in better form than he is. Both Gus Lawson and Charlie Turville are here, and doing well. Lawson in the courts in this city, then a western outfitting town for freighters, for the murder of another buck of his tribe.
